

# AFA Contract 2017: Extra

Sunday, October 8, 2017

Dear Hawaiian Flight Attendants:

AFA and In-Flight management are pleased to announce that Flight Attendants who are pass-riding on A330 aircraft will now have access to the LDMCR on certain flights effective October 11, 2017. The parties tentatively agreed to this provision during contract negotiations in May. As part of the negotiations for the JAL codeshare agreement negotiated in late September, it was agreed that LDMCR access would be implemented as soon as possible. We anticipate that this will provide an improved benefit to Hawaiian Flight Attendants traveling on passes.

The guidelines for LDMCR access while pass-riding will be posted on the In-Flight web site (<https://ifs.hawaiianair.com>).
