SECTION 12: PICK UPS, DROPS, TRADES AND EXCHANGES

- A. Flight Attendants are permitted to trade flight assignments and days off with any other Flight Attendant, provided they are equipment qualified for such flight assignments. However, Extended Range (ER) Groupings may not be traded for non-ER groupings unless the ER Grouping has been posted for a drop in accordance with Section 12.O and has not been picked up. (Note: This provision shall not apply to trades within the LAX domicile.) Bid Flight Attendants who have traded with Reserve Flight Attendants shall be considered Reserves. Trades between Bid Flight Attendants and Reserve Flight Attendants, except when they are on red circle days off, are subject to the approval of Crew Scheduling.

Such requests will be processed immediately and results will be available via the Crew Menu System or by calling Crew Scheduling. However, until automation to process trades is present, if Crew Scheduling is working to protect the Daily Flight Schedule because of interruptions caused by weather, mechanical, or other factors beyond the control of the Company, requests submitted less than six (6) hours prior to departure may not be processed immediately. Every effort will be made to process such requests in a timely manner.
 - 2. A Flight Attendant on sick leave may utilize the procedures set forth in D.1. above without limitation.
 - 3. Subject to Crew Scheduling approval, Reserves with trips operating over the same days may trade trips provided that such request is made at least six (6) hours prior to departure

2. Picking Up and Exchanging with Open Time

- a. Each day at 1800 (HST) Crew Scheduling will process all Bid and Reserve on Red Circle Day Off Flight Attendant requests for picking up and exchanging groupings with open time from the designated voice mailbox and award these requests in order of seniority. Requests must be submitted at least thirty (30) hours prior to the date of departure. (Example: A request for a grouping departing on Thursday must be received in the designated voice mailbox by 1800 on Tuesday.) All requests that cannot be awarded (e.g. grouping not available, trade not legal, etc.) will be discarded.
- b. A Flight Attendant's request to exchange a grouping with an open time grouping that covers the same or more calendar days shall be awarded in accordance with Paragraph a., above, without respect to Reserve coverage.
- c. For the purpose of exchanging groupings with open time on different calendar days, Crew Scheduling will determine if there is adequate Reserve coverage on the day(s) of the grouping that is to be given up in the exchange. Adequate Reserve coverage for the purpose of this provision shall be defined as ten percent (10%) of the total number of Flight Attendants needed to staff the flight schedule that day(s) plus the contractual number of Standbys plus the number of Flight Attendants needed to cover any known open flying. In the event the number of Flight Attendants requesting to "give up" a grouping via an exchange with open time exceeds the number of drops that can be awarded on any day(s) of the grouping to be given up, the give ups/drops shall be awarded in seniority order.
- d. Thirty (30) hours prior to the date of departure of the grouping, open flights cease to be available for pick-up or exchange. Crew Scheduling will assign open groupings to Bid Flight Attendants and Reserve Flight Attendants on Red Circle Day(s) Off, in seniority order, who have a specific request for a grouping, extra flying or same day

Crew Scheduling shall notify the Flight Attendant on the day before departure that her/his request has been awarded.

- e. A Reserve Flight Attendant may request open time flying by notifying Crew Scheduling via a designated voice mailbox no earlier than forty-eight (48) hours, and no later than twenty-four (24) hours prior to the date of the grouping's departure. The Company shall make its best effort to grant Reserve Flight Attendants' requests in order of seniority, after the assignment of Bid Flight Attendants, as provided in this Section.
- 3. For purposes of this Paragraph N., a Flight Attendant may only pick-up and exchange groupings within her/his domicile (i.e. LAX or HNL).

- c. "Turns" as used in paragraph b. above means a one duty period grouping with a maximum of two segments which begin and end in domicile, excluding an interisland grouping that would meet these criteria.
- d. The procedures specified in b. above shall not apply to the LAX domicile.

- 2. Additionally, a Bid Flight Attendant shall be allowed to drop a grouping to open time provided there is adequate Reserve coverage. Adequate Reserve coverage for the purpose of this provision shall be defined as ten percent (10%) of the total number of Flight Attendants needed to staff the flight schedule that day(s) plus the contractual number of Standbys plus the number of Flight Attendants needed to cover any known open flying. In the event the number of Flight Attendants requesting to drop a grouping exceeds the number of drops that can be awarded on any day(s) of the grouping to be dropped, the drops shall be awarded in the order the requests were received.
- 3. A Flight Attendant whose desire to drop a grouping to open time cannot be accommodated in accordance with Paragraph O.2. above, shall notify Crew Scheduling to post the grouping she/he wishes to drop with available open time by leaving a request in the designated voice mailbox at least thirty (30)

If the grouping can be awarded to a Flight Attendant who has requested to pick up additional flying, the request to drop will be granted.

P. Alternative Scheduling System

The Company and the Association have agreed to explore an alternative electronic scheduling system that can accommodate grouping pick ups, drops, trades and exchanges. In the event a mutually acceptable alternative system is identified, the Company and the Association shall proceed in good faith to identify the provisions of this Agreement that must be modified to accommodate such a system. The provisions of this Agreement shall continue to apply unless and until mutually acceptable provisions are agreed upon.

Q. Compensation and Benefits Guidelines for Flight Attendants Ending a Month with fewer than Thirty-Five (35) Credited Hours Due to Dropping/Trading/Exchanging

1. Flight Attendants shall accrue for that month:
 - a. Sick leave and vacation at one-half (1/2) the rates for regular Flight Attendants.
 - b. Full seniority and one-half (1/2) longevity.
2. A Flight Attendant who ends the month with fewer than thirty-five (35) credited hours shall be responsible for paying fifty percent (50%) of all group insurance premiums for benefits provided in Section 32. If, due to this provision, a Flight Attendant is in arrears for three (3) or more months, the Company may request such Flight Attendant to submit payment for the amount due. If payment is not received, or arrangement for payment has not been made, in a reasonable amount of time, coverage for the benefits provided in Section 32 may be suspended until such time as the Flight Attendant has provided full payment.
